

NJTMA *New Jersey Technology & Manufacturing Association*

The Remaking Of American Manufacturing In New Jersey

Wednesday, Oct 15, 2014, 6:00 PM

Hotel Woodbridge @ Metropark (formerly the Hilton Woodbridge)

120 Wood Avenue South

Iselin, NJ 08830

Event Details:

The Alliance for American Manufacturing is a non-profit, non-partisan partnership formed in 2007 by some of America's leading manufacturers and the United Steelworkers. Our mission is to strengthen American manufacturing and create new private-sector jobs through smart public policies. We believe that an innovative and growing manufacturing base is vital to America's economic and national security, as well as to providing good jobs for future generations. AAM achieves its mission through research, public education, advocacy, strategic communications, and coalition building around the issues that matter most to America's manufacturers and workers.

The New Jersey Business Action Center plays a key role in helping grow, retain and attract business to the State. The center serves as a "one-stop" shop for business. The team at the Center works to encourage entrepreneurship by supporting New Jersey's businesses of all sizes, supporting global competitiveness of New Jersey companies, as well as to promote the State's attractiveness as a vacation destination and business investment location nationally and internationally.

The US Department of Commerce International Trade Administration (ITA) strengthens the competitiveness of U.S. industry, promotes trade and investment, and ensures fair trade through the rigorous enforcement of our trade laws and agreements.

The NJTMA will unveil our new name and website and talk about our plans and the future of the association! Don't miss it.

In the parking lot: The NJ Community College Consortium for Workforce and Economic Development will show off the new Mobile Manufacturing Lab that was acquired by Camden County College through a USDOL grant. The four-ton, 400-square foot lab contains Metal Fabrication equipment and CNC machines to provide "Training on Demand" in advanced manufacturing for area manufacturers.

Dinner: Choice of Prime Rib, Stuffed Chicken, or Potato Crusted Salmon- Includes salad, dessert, coffee, soft drinks. Cash bar will be available in the atrium, arrive early to take advantage of the networking opportunity!

To Register for this Dinner Meeting: Visit our website www.njtma.com and scroll down to upcoming events. Details and registration options are on the event page.
